

Wholesale Potted Stock List

Grown by ourselves here in Corbridge, our nursery team pot up a small proportion of our own bare root trees for planting during the summer months, when our bare-rooted stock is unavailable.

Ranging from shrubs to fruit trees to small Christmas trees our potted plants are perfect for keeping you ticking over until the bare-root season arrives. Please browse the list below for availability and prices and if anything catches your eye please get in touch.

To place an order give us a call on 01434 633049 or send us an email to sales@treesplease.co.uk and a member of our sales team will process your order. There is no public access to the poly tunnels, if you wish to purchase some of our potted plants you must place an order beforehand.
